

**REMARKS**

Claims 1-2 and 4-26 are all the claims pending in the application. Claim 3 has been canceled without prejudice or disclaimer.

The Examiner objects to the title as not descriptive. Applicant has amended the title in a manner believed to overcome the objection.

Applicant thanks the Examiner for indicating that claim 3 contains allowable subject matter and that claims 4-26 are allowed. Applicants have amended claim 1 to include the subject matter of claim 3 and have canceled claim 3. Therefore, claim 1 is now believed to be allowable. Claim 2 depends from claim 1 and is therefore believed to be allowable at least because of its dependency. Consequently, all of the pending claims of the application, claims 1-2 and 4-26, are now believed to be in condition for immediate allowance.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.
